

Sun Printing Class

Supply List

Fabric Requirements:

2 or 3 yards of white fabric, 100% cotton (high quality, 200 thread count fabric works best)

ADVANCE PREPARATION for class:

ALL FABRIC MUST BE PRE WASHED to remove sizing

after washing, fabric should be ironed to remove any stubborn wrinkles (do not use starch or sizing when ironing)

Cutting Instructions:

Cut 1 yard into 8"-10" squares before class and you'll be ready to print

Paint, tools and materials will be provided for your use in class

Students can bring items to use for sun printing, if desired, such as:

Stencils, templates, die cut shapes-*plastic works best*

Leaves that have been pressed or flattened

Household items, coins, washers, rubber bands, buttons, yarn, string, etc.

Bring straight pins

Wear old clothes or bring an apron

Students will receive the instructions to make a quilt using their sun printed blocks, or may choose to create their own projects using their blocks.
